CHAPLIAN MESSAGE

I always thought that February had fewer days than any other month because it was one of the coldest month of the year and not a very pleasant time to be in Wisconsin. Those long cold days with little sunshine and shortened daylight hours reminiscent of some of the long and cold days we experience in life – full of worry and doubt. Yet, as we reflect on those times of trouble, let us remember that “all things work together for good to them that love God, to them who are the called according to his purpose”.

Our heavenly Father, make Your presence known in our daily lives. Let us seek to love You with all our heart, soul, and mind. Our confidence is in knowing that we are in Your hands and that You will never leave us or forsake us. Please continue to bless the American Legion family, especially those suffering with health, financial, or relationship problems. As we seek Your grace and mercy for ourselves, let us be the instruments of love to others in need.

Amen
