FROM THE COMMANDER

Hello Comrades and friends,

We have a lot going on at this months meeting. John Hoefft has invited a guest speaker in from Artists for the Humanities. They paint portraits of U.S. service personnel who have lost their lives in the wars in the Middle East. John says it's a great presentation. Part of his presentation is on Brent Vroman. We'll have a report from the fall conference. Dean Larsen will have a sign-up for the breakfast with the Veterans at the care center. Ed Goss will be talking about the Veterans Day programs at the schools. I have a request for supplies for two area service personnel currently serving in the Middle East. We'll see what we can do to help them out. Dean says the tee shirts are in so bring your money to pay him. He was only able to get one of the tee shirts the other one was no longer available. We'll be handing out our new brochures hot off the presses. This brochure serves two purposes, it welcomes new members into our Post and it also acts as a recruiting tool. I encourage everyone to keep one in the car glove compartment to hand out to anyone who may be interested in joining our post. I'd like to thank Bob Wipf, Dean Larsen and Darryl Schmidt for their hard work and input in helping me put this together. I think we hit a home run with this brochure. Its content is informational and the photography speaks volumes about who we are and what we're about. It includes a question and answer section to help answer the basic questions a new member may have. Bob Wipf received good news from Mao Clinic. After reviewing his medical records they feel they may be able to help him to recover and have asked him to come down. Bob will be going to Mao in early December. We all wish Bob a full and speedy recovery. He needs to be able to chase that little ball around the golf course again. Finally all you hunters take the hour needed to sight in your rifle BEFORE the hunting season begins. I could wallpaper my living room with the horror stories that I've heard over the years about missed opportunities at bucks of a lifetime because the hunter thought the sights on their gun were all right but were off. Have a safe and successful hunt and I hope to see you at this months meeting.

Yours in Comradeship
Rick Deiss

MEMBERSHIP REPORT

Another month has gone by and the summer is gone. At our last meeting we gained another new member named James Grover (retired state trooper our area) who was in the Army. Jim is now one of our PUFL members. Welcome! We still have 32 members unpaid for 2010. I will call as a reminder starting November. As in each and every month I wish all good health and thanks for being one of us. If you know a veteran who is not a member. ask if they would like to join the best legion in the state. Vondv

CHAPLAINS CORNER

Please remember in prayer Chuck Albashian and his family while they cope with the loss of Dorothy his dear wife. Toni Viegut needs prayer for the healing process on her back. We must also stay vigilant and steadfast in prayer that God directs those whom lead this country and are responsible for our freedom(s). Prayer is something that can be accomplished anytime or anywhere, by any one of us. If you have any questions whether prayer works I'd be honored to speak with you about it. Call 920-420-4610.
