SUMMER PICNIC 2017

Request from Vice Commander Jack Maloney

Some of my friends in Las Vegas belong to the Marine Corps League there and also the Marine Riders. One of their member's children has leukemia and for a fund raiser to help with the family's medical bills they are collecting the caps off of plastic bottles as Nevada recycles them (the recycling companies pay for the caps since they are made of pure, unrecycled plastic, which allows them to be used for other recycling purposes). Since, at least in Oshkosh, we are supposed to be removing the caps off our plastic bottles and not including the caps in the recycling, I am asking our membership to save those caps for me and I will get them to the proper people in Vegas for their fund raising. This includes caps off of plastic soda bottles, plastic water bottles, Gatorade, milk, etc. THANKS!
